

# HOLIDAY GREETINGS

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

Tis the season to renew  
hope and optimism too  
sending greetings for the holidays  
with love and joy to you

On some Christmas cards  
I'm writing Happy Hanukkah  
and my Jewish friends send  
Merry Christmas too  
We exchange these greetings  
all throughout December  
and respect each other's  
customs because it's true

That the life we live each day  
gets much better when we say  
Season's Greetings, Happy Holidays to you  
and I truly hope and pray God will  
send his love your way  
Season's Greetings, Happy Holidays to you

Santa brings toys for Christmas  
Hanukkah has them too  
Family and friends together  
bring out the best in you  
This is what the Holidays are  
all supposed to do

There are many different ways  
that people celebrate like the  
Buddhist, Muslim, Hindu cultures do  
With each feast of Kwanzaa  
family come together  
Spirit Pow-Wows send a  
loving message too

To each other we should say  
celebrate in your own way  
and may God bless you  
each day throughout the year

Beause the life we live each day  
becomes better when we say  
Season's Greetings  
Happy Holidays to you

# IT'S THE SEASON OF JOY

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

Have a Christmas gift and a Hanukkah wish  
that you have a wonderful day  
from the Lord above we respect his love  
by the kindness we display

It's the Season of Joy every girl and boy  
are God's blessing, so I say  
have a Hanukkah gift and a Christmas  
wish that you have a wonderful day

The Buddhist monks preach loving  
The Muslims preach that too  
All Hindus will be hugging  
celebrate your holiday in your way

Have a Hanukkah gift and a Christmas wish  
and Mohammed's blessings too  
Though we may all pray in a different way  
Happy Holidays to you

It's the Season of Joy spin a dreidel toy  
maybe Jesus had one too  
may we all be blessed with the happiness  
Happy Holidays to you

There's a festive feast for Kwanzaa  
Great Spirit Pow-Wows too  
though different faiths and cultures  
we unite in love with what we do

Have a Christmas gift and a Hanukkah wish  
that you have a wonderful day

There goes Santa Claus giving toys and joy  
so you have a wonderful day  
it's the Season of Joy  
yes the Season of Joy  
so you have a wonderful day

# BEST TIME OF THEM ALL

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

Seasons change, Spring, Summer, Fall  
Now comes the best season of them all

Jingle bells and Santa's elves  
are getting ready to call  
Rudolph steadily pulls the sled  
when he leads the reindeer because

Santa's on his way  
to bring us presents big or small  
It's Christmastime, the best time of them all

Hanukkah treats and holiday feasts  
when family come to call  
Dreidals we spin and happily win  
some coins or a candy ball

Presents given with love  
makes us happy one and all cause  
Hanukkah time, the best time of them all

You might think I'm fickle to  
say that both are best it's  
just that I love holidays and  
all of them are best so

May we respect, celebrate the great holidays  
honor each cultural view  
Christmas and Hanukkah, Diwali,  
Ramadon, Kwanzaa and New Year's Eve too

Jesus, Moses, Ala-Ach ba  
Buddhist, Hindu, Jew, let the  
light of love shine brightly within you  
Share your light of love  
with other people too  
let the light of love shine  
brightly within you

# WISHING YOU A KOSHER CHRISTMAS

that I wish you Merry Christmas

and it's Kosher for me to say

love, peace and joy

Merry Christmas and a  
Happy Hanukkah too

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

Hanukkah and Christmastime  
are Holidays that intertwine  
Joyous fun for everyone  
and Kwanzaa food tastes good, yum yum

Holidays are great to show  
how much we care for those we know  
Christian, Muslim, Buddhist, Jew  
expressing love, yes Hindus too

Season's Greetings, Diwali Joy  
to every person girl and boy  
presents, silver coins and prayers  
display the caring we all share

Diff'rences we have are small  
compared to what we share with all  
Happy Holidays do call let  
peace and joy unite us all cause

Hanukkah and Christmastime  
are Holidays that intertwine  
Christian, Muslim, Buddhist, Jew  
with Kwanzaa Joy and Hindus too

Decorating Christmas trees  
with candy canes and sparkling lights  
children spinning dreidel toys  
win chocolate golden candy coins

Hanukkah and Christmastime  
are Holidays that intertwine  
Christian, Muslim, Buddhist, Jew  
with Kwanzaa Joy and Hindus too

Stars shine brightly in the sky  
to navigate our passing by the  
north star light makes one recall  
that God's great gift is love for all

Holidays that intertwine  
we celebrate our special time  
Peace and Joy for everyone  
United we are one  
United we are one

# LISTEN TO YOUR HEART

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

You made this Holiday Season special  
It was true love at first sight  
So take a chance on you and me  
cause we were always meant to be

Don't be afraid of loving me  
just listen to your heart  
and you will find a love that's true  
so take me in your arms  
and you'll find yourself at home  
This feeling of romance  
cannot be by chance  
you knew it at first glance  
this heart was in a trance  
when you looked at me

My love for you will outlast time  
we've found each other's heart  
so take this chance on true romance  
your dreams will all come true  
if you really want them to  
This feeling of romance  
cannot be by chance  
you knew it at first glance  
my heart was in a trance  
Now we've found each other  
Yes we've found each other  
Now we've found each other's heart

# ST. ALBERTA CHA CHA

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

Here's a little Cha Cha you may not have heard before  
About my friend Alberta, a Saint on the dance floor

No one can Cha Cha like St. Alberta  
She got a groove when dance the Cha Cha  
Yes she can move that sweet St. Alberta  
Cha Cha Cha, Cha Cha Cha, Cha Cha Cha

Visit St. Croix or go see St. Martins  
everyone smiling let's have a party  
step to the left and step to the right then  
Cha Cha Cha, Cha Cha Cha, Cha Cha Cha

You'll do it right if you watch St. Alberta  
she'll show you how to move yourself around  
come on and dance just listen to the music  
feeling the rhythm of the latin sound  
now that you have the rhythm of the music  
this is the time to shimmy all around  
move it up close and shake it, shake it, shake it  
You have a style, a style that is your own  
yet no one can Cha Cha like St. Alberta  
Cha Cha Cha, Cha Cha Cha, Cha Cha Cha

Visit St. Croix or go see St. Martins  
everyone smiling let's have a party  
step to the left and step to the right then  
Cha Cha Cha, Cha Cha Cha, Cha Cha Cha

Everyone dance and party to the music  
see St. Alberta twirl round and round  
Stay in the groove this party just got started  
it's gettin' hotter don't let it cool down  
Now just relax and Cha Cha with the music  
just feel the beat the rhythm and the sound  
now that you got the rhythm and the music  
Watch St. Alberta see her dance around

Yet no one can Cha Cha like St. Alberta  
she got a groove when she dance the Cha Cha  
yes she can move that sweet St. Alberta  
Cha Cha Cha, Cha Cha Cha, Cha Cha Cha

# THIS IS THE TIME

Music and Lyrics by William J. McCloy and Myra Susan Mincey Shutt

Thought I would wait for today  
think I will wait till tomorrow  
tomorrow may be the better way  
can't I just live for this day  
don't need to wait for tomorrow

This day is here, eternity no fear  
surrender tears, live you life so dear

Watching my life from the window  
letting the time slip away  
see the passing clouds as the wind blows  
telling myself it's okay, it's time to open your heart

This day is here, eternity no fear  
surrender tears, live you life so dear

Waiting for a sign from above  
eyes open, magic within  
your shinning light through the night  
love in my heart is the way  
this is the dream I imagined

This day is here, eternity no fear  
surrender tears, live you life so dear

Your shinning light crystal clear  
taking a chance open door  
the power of love can remove all fear  
this is the time we've waited for  
rise up and open the door

This day is here, eternity no fear  
surrender tears, live you life so dear

This is the time  
this is the time
